

Repetto School
Student Handbook
(K - 8)
2016 - 2017

WELCOME TO REPETTO SCHOOL

Recognitions Received:

Title I Academic Achievement Award

Gold Ribbon School

National Healthy School

California Business for Education Excellence Honor Roll

California Distinguished School

Welcome to Repetto School and to the new and exciting adventures that await you here. The time and effort you put forth will make your stay here memorable and happy. We believe you are capable of achieving excellence. We encourage you to work towards your highest potential to become a lifelong learner, and to become a responsible and contributing member of our school community.

This handbook will provide you with the guidelines and expectations here at Repetto School. You will find that the rules and regulations will make it possible for all of us to work, learn, and play together.

Please take the time to read this handbook carefully as it will answer many questions about the services the school will provide for you as well as what will be expected of you at Repetto School. Share this handbook with your parents, who will also benefit from this information.

Go Roadrunners!

MESSAGE FROM THE PRINCIPAL

Mrs. Kathy La Piana

Greetings! Welcome to a new school year at Repetto School. As a student at Repetto, you will have the opportunity to attend a school where the parents, teachers, staff, and students work together to provide the best possible educational environment.

It is my honor and privilege to be the principal at this amazing school. I continue to be very impressed by what I have observed at Repetto School. I look forward to working with all of our wonderful and dedicated students, teachers, staff members, and families for the 2016-2017 school year.

Repetto School has very high academic and social expectations for our students, but you will also find you are offered the help and support you need to succeed. Your attitude and willingness to take responsibility are two key ingredients you will need to be successful this year. The teachers and staff are here to guide you towards your goals, but they expect you to put forth your best effort at all times. **Always aim to be the best you can be.**

The Repetto School Student Handbook contains important school and district information you need to know, such as school rules, discipline and uniform policies, school activities, calendars, etc. Please read and review this information carefully with your parents.

To ensure home school communication, *Chalk Talk* will be sent home the first school day of each month. The lavender *Chalk Talk* will contain information about our school and students, upcoming activities, calendar events, and general news from me, ASB, and various school committees.

We also send mass phone and email notifications through our district's automated *Connect-Ed* messaging system. It is very important you notify us whenever your contact information has changed, so you will be able to receive these phone calls, especially in the event there is a crisis and emergency information needs to be shared immediately. We recommend that parents log on to the Parent Portal regularly to review emergency contact information and to be informed of their student's school progress.

Students and parents are encouraged to visit our school's website at www.repettok8.net on a regular basis. The website contains up-to-date information as well as links to our district and other resources.

We are excited to have you at our school this year. I know if we all work together, we will continue Repetto School's tradition of excellence. Go Roadrunners!

RULES AND REGULATIONS

Student Rights and Responsibilities

Repetto School recognizes that students have certain rights and responsibilities, and expects students to assume these responsibilities. Every student will receive fair treatment and equal opportunity in all areas of school life regardless of sex, race, color, or creed.

Students have individual rights and corresponding individual responsibilities and expectations. Parents, teachers, staff, and administrators have a duty to protect the rights of students while maintaining a safe educational environment conducive to the teaching and learning process. Certain responsibilities required of a Repetto student are as follows:

- To become informed of and to follow the school rules and regulations;
- To respect the rights and individuality of others;
- To refrain from the use of obscenity in verbal and/or written expression;
- To dress and groom in accordance with Alhambra Unified School District's uniform policy and dress code;
- To refrain from defiance, misconduct, or behavior that disrupts the educational process;
- To maintain the best possible level of academic excellence; and
- To respect the authority of school personnel in maintaining order and discipline in the school and at school-sponsored activities.

Acts Leading to Suspension from School

School suspension may run from a minimum of one day to a maximum of ten days. A student may be suspended or recommended for expulsion for a violation on campus, to or from school, or during a school-sponsored activity off campus for a violation of Education Code §48900.

- Caused, attempted to cause, or threatened to cause physical injury to another person; or willfully used force or violence upon another person.
- Possessed, sold, or otherwise furnished any firearm, knife, explosive or other dangerous object.
- Possessed, sold, or otherwise furnished, or under the influence of, any controlled substance, including drugs or alcohol.
- Offered, arranged, or negotiated to sell any controlled substance, an alcoholic beverage, or an intoxicant of any kind.
- Committed or attempted to commit robbery or extortion.
- Caused or attempted to cause damage to school or private property.
- Stole or attempted to steal school or private property.
- Possessed or used tobacco, or products containing tobacco or nicotine.

- Committed an obscene act or engaged in habitual profanity or vulgarity.
- Possessed, offered, arranged or negotiated to sell any drug paraphernalia.
- Disrupted school activities or willfully defied the authority of school personnel.
- Possessed or bought stolen school or private property.
- Possessed an imitation firearm (including fireworks and/or firecrackers).
- Committed or attempted to commit sexual assault or battery.
- Harassed, threatened, or intimidated a student who is a witness in a disciplinary proceeding.
- Offered, sold, arranged to sell, or negotiated to sell the prescription drug Soma.
- Engaged in or attempted to engage in hazing.
- Engaged in an act of bullying, including but not limited to, bullying committed by means of an electronic act.
- Aided or abetted the affliction of physical injury to another person.

48900.2 – Committed sexual harassment (grades 4-8).

48900.3 – Caused, attempted to cause, threatened to cause or participated in, an act of hate violence (grades 4-8).

48900.4 – Harassed, threatened or intimidated, creating a hostile educational environment (grades 4-8).

48900.7 – Made terroristic threats against school officials and/or school property.

Acts Leading to a Mandatory Recommendation for Expulsion

- Possessed, sold or otherwise furnished a firearm
- Brandished a knife at another person
- Sold a controlled substance
- Possessed an explosive
- Sexual Assault

STANDARDS OF BEHAVIOR

Every student has the right to attend school in a safe and orderly environment. In addition, each student has a responsibility to follow the school rules and procedures and to be a good citizen. Good conduct is important because it contributes to learning. We expect Repetto students to be respectful and to behave appropriately at all times.

(See Alhambra Unified School District Parent and Student Handbook for more information – available on the district's website: www.ausd.us.)

Consequences

The teacher is generally the first person to deal with a student when there is a problem. Here are the steps *usually* taken by the teacher before a student is sent to the office:

1. Student is warned and counseled
2. Suspended recess/detained after school
3. Parent notified/conference with parents
4. Referred to the administrator (principal/assistant principal)

When a student is referred to the administrator, the teacher indicates on the referral slip which actions have already been taken in the classroom. Usual consequences for office referrals may include one or more of the following:

1. Discuss incident and counsel/warn student
2. Detain the student in the office or on a bench during recess and/or after school
3. Contact parents
4. Conference with parent and student
5. Community service/campus clean-up
6. Exclusion from school activities
7. School and/or District Behavior Contract
8. Saturday School (grades 4–8)
9. Parent accompanies child in class
10. Suspension
11. Possible SART (School Attendance/Behavior Review Team)
12. Expulsion

Students who receive in-school or out-of-school suspensions will also be excluded from participating in and attending any school activities on the day(s) of suspension.

DRESS CODE

The Alhambra Unified School District has adopted a mandatory School Uniform Policy for all students in grades kindergarten through eighth.

All students in grades K – 8 must adhere to the following requirements:

- Only navy blue and khaki pants/skirts/shorts/skorts/jumpers are allowed.
- Allowable fabric includes twill, cotton or cotton blend, polyester blend, or corduroy. Sweat materials, denim/jeans and leggings are not permitted.
- Walking shorts must be at least mid-thigh (“fingertip” length) and may not extend below the knee.
- Skirts must be mid-thigh to mid-calf in length.
- Pants should be hemmed, fitted (not too baggy or too tight), and appropriate for school.
- Outerwear (sweaters, jackets, sweatshirts) worn in class must be navy blue, white, or burgundy (Repetto school color).

- Heavy jackets/coats worn outside of the class must conform to the District Appearance/Dress Standards, but are not required to be navy blue, white, or burgundy.
- Uniform shirts must be worn everyday (even if the student is also wearing a sweater, jacket, or outerwear). Shirts must have a collar (no t-shirts or tank tops) and must be navy blue, white, or burgundy.
- Shirts and blouses may be untucked, but may not be longer than the hip pockets below the waistline.
- Knee-high socks, or tights must be appropriate (i.e. no fish nets).
- Shoes should be comfortable, safe, and closed-toe (no sandals). Shoes should be appropriate for physical education activities.

(See Alhambra Unified School District Parent and Student Handbook for more information – available on the district's website: www.ausd.us.)

PROCEDURES AND REGULATIONS

Attendance

Regular, punctual attendance is expected and required by law. Absences should be confined to illnesses, court appearances, and medical, dental, or other health-related appointments. This is a requirement by the State of California. **Students who are absent must have a parent call the school that morning to verify the reason for the absence.** If the parent is unable to call that day, an absence note should be given to the homeroom teacher on the day the student returns. Parents can contact the school office on the day of the student's absence by calling (626) 570-6240.

When a student is absent, it is his/her responsibility to arrange to make up missed assignments. A parent may request homework when a student has been/will be absent two or more days by calling the office. (Middle school students: Please refer to the handbook supplement pages for your absent homework policy.) Homework for absent students may be picked up in the office *10 minutes after dismissal* (as long as the school was notified with a homework request by 9:30am that morning). Students who will be absent for five days or more for reasons other than illness (i.e. traveling out of the country) may be eligible for the District's Independent Study program. Advanced arrangements must be made through the principal. Please speak to Ms. Torda in the school office for more information.

Arrival and Departure

For safety reasons, students are not to be on the school campus before 7:30am each morning. Students entering the school after 7:30am are to report to the cafeteria (if eating breakfast) or to the lower playground where there is supervision. Loitering in the halls or in front of classrooms is not allowed. Students are to leave the school grounds immediately at the end of the school day (unless attending after school classes or participating in official school-sponsored activities). In order to foster student independence and to monitor adult access to our campus, students should be dropped off and picked up at the school gates. Parents are not allowed to walk their child to/from the playground and/or classroom.

Tardiness/Absences

The school day begins promptly at 8:00am. This means the student must be *in class*, in his/her seat, and ready to learn by the time the bell rings. If a student is tardy to school, he/she must report to the office for an admittance slip. Parents will be notified if their child is habitually absent and/or tardy to school. If an improvement is not apparent, school administrators and/or district attendance personnel will meet with the family to discuss the problem and provide remedies. Often times, chronic tardies are indicators that the student lives outside Repetto's school attendance boundaries. School/district staff may make unannounced home visits to verify residency. Students/families discovered not living in Repetto's attendance area must immediately register at their home school.

Releasing Students

Students will be released only to parents or other adults (including siblings of legal age) listed on the student's emergency page. If a student is being checked out during the instructional day, parents or guardians with educational rights must notify the school in advance (phone call or note) and provide permission for their child to leave early prior to regular dismissal with someone other than the parent. Valid picture identification is required. Emergency contact information will be referenced to confirm guardianship.

Emergency Contact Information

Parents must complete the information online through the district's Parent Portal at: <https://family.ausd.us>. During the first two weeks of school, the office can provide assistance to families that do not have internet access at home. Please contact our school community coordinators to set up an appointment to complete your child's emergency information on a computer in the school office. Parents are encouraged to check and update the contact information listed in the Parent Portal on a regular basis. Certain changes in student information must be completed in person, such as address changes and primary contact information changes. Please come into the school office if you have questions.

Traffic and Helmet Laws

Students are expected to obey all traffic and helmet laws. The State of California requires that minors wear helmets while riding a bicycle, scooter, skateboard, rollerblades, etc. Students are prohibited to ride their bicycle, scooter, skateboard, rollerblades, etc. anywhere on campus, including the hallways, front courtyard, circular driveway, and the sidewalks directly in front of the school. Students may lose the privilege of bringing these items to school if they fail to follow these rules.

Personal Items

Students are asked to be extremely careful when leaving valuables unattended in desks, classrooms, and playground. ***The school is not responsible for any lost, damaged, or stolen items.***

Lost and Found

If you lose your books, jacket/sweater, or other belongings, you may check with the school office before or after school and/or in the bin and clothes rack outside of the cafeteria. It is recommended that you label your personal belongings for easy identification. Please note that unclaimed items in Lost and Found are donated to a non-profit organization several times a year. ***The school is not responsible for any lost, damaged, or stolen items.***

Vandalism

Damage to school property or private property is regarded as a serious offense. Parents of students responsible for vandalism are liable for the repair or replacement of the damaged property.

Clean Campus

Students are responsible for doing their part in keeping the campus clean, by throwing away trash in the proper receptacle and picking up after themselves. Students are expected to observe proper usage of the restrooms (flushing the toilet, washing their hands and not causing excessive water on the floor).

Visitors

Visitors to Repetto School must check in at the front office and obtain a visitor badge. The badge should be visible at all times. Valid identification is required.

In order to minimize disruptions to instruction, classroom observations and visits are not allowed during school hours without prior arrangements with the teacher. The principal's approval must also be obtained. If parents need to speak to their child's teacher, please call and make an appointment during non-instructional times.

Birthday celebrations with cakes, cupcakes, etc. are not recommended since they take away from instructional time. We encourage parents to celebrate their child's birthdays at home. Teacher's prior approval is necessary before parents bring cupcakes or treats to school. The school will not accept flowers/balloons to be delivered to classrooms. Any delivery for students will be held in the office until the end of the day.

SCHOOL SERVICES

School Office

The school office hours are from 7:30am to 4:00pm. Please refer to the Student Activities section for the listing of office personnel. The office staff is available to assist you with any questions concerning Repetto School. We have two school community coordinators to assist parents needing language assistance in Cantonese, Mandarin, and Spanish.

Health Office

The health office is located within the school office. We have a school nurse who is here two to three days a week until 2:45pm and a health assistant who is here daily until 1:00pm. Students must have permission (hall pass) from a teacher or a yard supervisor before going to the health office. Please remember to enter and exit using the health office door. Parents or guardians will be contacted if the nurse or health assistant feels additional medical attention is necessary.

The nurse should be informed of any special health matters and allergies concerning a student. Any on-campus injury should be reported to a teacher or a yard supervisor immediately. Do not wait until the end of recess. Students may not bring over-the-counter or prescription medication to school, including throat lozenges, ointments, medicated eye drops, etc.). However, if it is necessary to have the medication on campus (per doctor's order), the medication must be kept in the health office. The parent and child's physician will

be required to fill out a form indicating the type of medication, amount to be administered, and other directions.

Yard Supervisors

The yard supervisors are important members of the Repetto School team. Their primary task is to provide supervision during recesses, lunch periods, and arrival/dismissal times. Students should give these school authorities the same respect that is expected for their teachers, administrators, and office and support staff.

School Meals

Hot lunches are prepared daily in the cafeteria and cost \$3.00 each. Menus (issued twice a year) are sent home and also posted in the cafeteria and classrooms. Information regarding the free and reduced lunch program may be obtained in the office or through the district website. Application for the free and reduced lunch program is submitted online and must be renewed every year. Lunches brought from home must be kept by the student until his/her lunch period. The cafeteria also prepares a hot breakfast for \$1.50 each and sells milk, juice, and snacks before school and during the recess period.

Students are to eat in the cafeteria or in the outdoor lunch area, and are responsible for cleaning up after themselves. Due to food allergy considerations and students participating in the National School Lunch program, there is absolutely no sharing of food. Students may not walk around the school or playground with food and are not allowed to eat during class time.

Parents have the options to prepay their student's meal account. The office can accept cafeteria payments. Checks are made payable to "Repetto Cafeteria". Cash is also accepted but will need to be verified by a staff member. We encourage online payments for student meal accounts, which is accessible through the district website at www.ausd.us. Please check the district website or call Food & Nutrition Services at (626) 943-6590 for more information.

Students must present their lunch card (unless they have cash on hand to pay at the register), or they will have to go to the end of the line and wait until all others have purchased their food before being served. Students who lose their lunch card should notify the cafeteria staff as soon as possible. Students are allowed one free card each year. Additional replacement cards cost \$2.00 each.

School personnel do not have the resources to lend lunch money to students. Parents are responsible for maintaining adequate balance in the student's lunch account to ensure that the student is not denied service. The cafeteria reserves the right to stop extending "credit" to students who owe more than two meals. Parents may drop off forgotten lunch cards or money in the office. Parents are discouraged from delivering their child's lunch to the office on a regular basis, as this is a disruption to school routine. Please plan and prepare your child's lunch prior to the start of the school day. Healthy lunches are encouraged (no sodas or candy). Students are welcome to bring bottled water to school. Bottled water can also be purchased from the cafeteria during students' recess and/or lunch recess.

Library

The library provides students an opportunity to check out books for research and recreational reading. We expect all students to help maintain the library and keep it clean and

organized; and to take care of the books they use, whether while in the library or at home. If a book is not returned to the library, full payment for its replacement is required. Damages to a library book are subject to repair costs. Special school activities may be withheld if a student has outstanding library fines or charges.

Textbooks

Textbooks, both consumable and non-consumable, are the property of Repetto School and the Alhambra Unified School District. They are issued and assigned to each student with the understanding that they will be properly cared for. All textbooks must be covered and kept free of graffiti. Students are responsible for any damages to their textbooks and will be fined accordingly. *(Note: Elastic book covers are NOT recommended as they can potentially damage the book spine and/or stain the textbooks.)*

Parents and students are required to pay for lost or damaged textbooks. Report cards or participation in special school events may be withheld if the student fails to meet such a financial obligation.

Insurance

Repetto School does not carry insurance on individual students. If a student is injured at school, parents must rely on their own medical insurance. If a family does not have medical insurance or would like additional coverage, the District offers low-cost, affordable student accident and health insurance coverage through Myers-Stevens & Toohey & Co., Inc. for a nominal fee. More information about student information is available upon request.

Telephones

Student use of the office telephones is for emergency use only. Students will not be called out of the classroom to take personal phone calls. We ask parents to refrain from attempting to deliver messages to their child via the school office, except in an EMERGENCY situation. Arrangements for afterschool transportation and care should be discussed before school.

Valet Drop-Off Service

Valet drop-off service is offered to parents who drive their child to school. This service begins at 7:30am and ends at 7:55am. The drop off area is located on Grandridge Avenue near the school cafeteria. The valet line will be indicated with hazard cones. *(Note: Valet services may not be available for the first few weeks of school or if the supervising parent volunteer(s) is absent. Students in grades 4 through 8 and parents interested in volunteering should contact the office.)*

Cell Phones (Students in Grades 4–8 Only)

Cell phones (or other transmitting devices) may be carried by students to school and school events under the following conditions: Parents and students must complete and turn in the Cell Phone Registration form to the office for every school year. Upon successful registration, the student will receive the rules and policies regarding proper cell phone use. It is the student's responsibility to read and follow the rules and policies listed. Remember that cell phones must be **turned off** and stored in backpacks during the instructional day and are specifically for off-campus use. Repetto School is not liable for lost, stolen, or damaged cell phones. Students who bring an unregistered phone on campus and/or use one on school grounds (including hallways and inside all buildings) are subject to disciplinary action and may lose the privilege of having their cell phone on campus.

Student Government/Student Council

Repetto School has an active Associated Student Body (ASB), which works with the faculty and administration to plan and carry out activities for the students and the school. Student Council elections are held every year. Students in grades 4 through 8 are voting members and are eligible to run for elected offices.

Guidelines for Participation in or Exclusion from Activities

Good citizenship and attendance are prerequisites for participating in special school and ASB activities. Students with unacceptable citizenship and/or attendance may be ineligible to participate in special school and ASB events.

- **Citizenship** – Unacceptable citizenship is defined as violations of Alhambra Unified School District and/or Repetto School rules and regulations, as well as classroom rules.
- **Attendance** – Chronic tardies and/or unexcused absences are considered unacceptable attendance, including being late to both homeroom and each period.
